

Sentral Portal - Parent Portal Access Form

Dear Parent

Marrickville high School uses 'Sentral' Student and Parent Portal, to provide both parents and students discreet information about each student's progress in our school. The Parent Portal has been implemented for communication and absence monitoring. Parents are granted access to student's data via a unique key issued by the school. Parents will be able to:

- View Students timetable
- View Assessment and homework for each student
- View School Documents & resources
- View School Notifications
- Send messages and absence notifications to school
- Provide permission for excursions online
- Receive student report cards electronically

Once this form is returned to the school and processed you will be sent an email with your family key to register for access to the Parent Portal. The family key can be used more than once to setup parent access and is case sensitive.

*** PLEASE NOTE THE FAMILY KEY SHOULD NOT BE GIVEN TO STUDENTS. THEY LOGI N TO THEIR STUDENT PORTAL USING THEIR SCHOOL COMPUTER LOG IN CREDENTIALS.**
